

Multicultural Aged Care

Services and Support you can trust

Western Sydney MRC supports individuals and communities to be socially connected, empowered and informed through a range of services and programs.

We celebrate diversity and everyone is welcome here.

About EnCOMPASS

Western Sydney MRC EnCOMPASS Connectors are here to link you with MyAgedCare services. MyAgedCare services are here to support you or those you care for to live independently, give support at home, be socially linked or engaged in the community.

Services are available to carers and individuals 65yrs and over. Our connectors:

- are experienced and trusted amongst their communities
- speak multiple languages including English, Khmer, Assyrian and Arabic
- are culturally appropriate and approachable making our team the obvious choice to support you or those you care for through MyAgedCare services.

The services of EnCOMPASS Connectors are free. Find out more by contacting one of our team.
