

Unleash YOUR Leadership Potential

Civic Leadership Training for CALD Women

This comprehensive program is designed to help women build the knowledge, skills, and confidence they need to become effective leaders. You'll learn about:

1. Self-awareness
2. Leadership style
3. Craft your vision, mission and purpose
4. Influencing effectively
5. Determine your goals
6. Resilience
7. Authority, presence, and impact
8. Write your personal strategic plan

You'll also have the opportunity to work with a mentor who can provide personalised guidance, support, and feedback as you develop your leadership skills.

You'll have the chance to connect with other women leaders, build a supportive network, and share your experiences and perspectives.
